

## You Build It...

Hello,

I'm Burt and I really hope this information will be a huge benefit and help you start getting reviews for your Amazon product(s) on AUTO-PILOT!

**By the way...at the end of this PDF I have a FREE gift for YOU!**

Below are the EXACT email templates we are using to get Amazon Reviews on Auto-Pilot!

The majority of our reviews are 4 and 5 Star Reviews.

However, we've PRIMED the pump in previous follow up emails by saying things like:

## We'll help!

#1 Follow up email (Your Order has been shipped)

#2 Follow up email (Please Contact me about your Amazon Order if...)

Below is just an excerpt (priming the pump) of a portion of our #2 follow-up

PLEASE Contact Me IF...

***I would greatly appreciate it...if you could do me a small favor.***

Please take a moment and contact me (simply hit "Reply" to this email) if you are unhappy for ANY reason!

Seriously, if you are NOT extremely happy (4 or 5 Star happy) please contact us so we can correct any issues and make it right.

***Customer Satisfaction is our Highest Priority!***

### #3 Follow up email (How are you feeling about your [brand] Amazon Order

Below is just an excerpt (priming the pump) of a portion of our #3 follow-up

## You Build It...

If you've not reached out to us, can I assume everything is okay?

We insist that you reply to this email if you have ANY problems, because we want you to be 100% satisfied with both our products and our service.

***Customer Satisfaction is our Highest Priority!***

In fact, if you wouldn't be willing to give us AT LEAST 4 out of 5 stars then we've let you down & need to make it right.

## We'll help!

If you have followed up properly...then it is YOUR REVIEW email that will be the KEY to getting AUTO-PILOT Amazon Reviews which will INCREASE CONVERSIONS and lead to more sales!

### #4 Follow up email (ask for the REVIEW)
